Where a referee has been appointed to the match, the referee has the full authority to enforce the Laws of the Game in connection with the match. The decisions of the referee will be made to the best of the referee's ability according to the Laws of the Game. The referee's decision is final.

This competition is social. Any rough play, abusive language, backchat or challenge to the referee's authority etc. **will not be tolerated**. Team captains must take responsibility for their team and ensure all matches are contested in the spirit of the game.

The referee has the power to show yellow or red cards and, where competition rules permit, temporarily dismiss a player, from entering the field at the start of the match until after the match has ended, including during the half-time interval and kicks from the penalty mark.

- e) It is the responsibility of individual teams and team captains to ensure that they maintain the appropriate number of players on the field in accordance with Rule 1. It is NOT the responsibility of the referee to monitor this.

RULE 8: TEMPORARY DISMISSAL (SIN BINS)

A temporary dismissal is when a player commits a cautionable (YC) offence and is punished by an immediate 'suspension' from participating in the next part of that match. The philosophy is that an 'instant punishment' can have a significant and immediate positive influence on the behaviour of the offending player and, potentially, the player's team.

This competition is social. Any rough play, abusive language, backchat or challenge to the referee's authority etc. **will not be tolerated**. Team captains must take responsibility for their team and ensure all matches are contested in the spirit of the game.

Players only

- Temporary dismissals apply to all players (including goalkeepers) but not for cautionable offences (YCs) committed by a substitute or substituted player

Referee's signal

- The referee will indicate a temporary dismissal by showing a yellow card (YC) and then clearly pointing with both arms to the temporary dismissal area (the player's technical area)

The temporary dismissal periods

- The length of the temporary dismissal is the same for all offences: 5 minutes
- The temporary dismissal period begins when play restarts after the player has left the field of play
 - The referee should include in the temporary dismissal period any time 'lost' for a stoppage for which 'additional time' will be allowed at the end of the half (e.g. substitution, injury etc...)
- Competitions must decide who will help the referee time the dismissal period – it could be the responsibility of a team manager/coach, FNT Staff on site or neutral volunteer; conversely it could be a team official.
- Once the temporary dismissal period has been completed, the player can return from the touchline with the referee's permission, which can be given while the ball is in play
- The referee has the final decision as to when the player can return
- A temporarily dismissed player cannot be substituted until the end of the temporary dismissal period
- If a temporary dismissal period has not been completed at the end of the first half (or the end of the second half when extra time is to be played) the remaining part of the temporary dismissal period is served from the start of the second half (start of extra time)
- A player who is still serving a temporary dismissal at the end of the match is permitted to take part in kicks from the penalty mark (penalties) Laws of the Game 2019/20

Temporary dismissal area

- A temporarily dismissed player should remain within the technical area (where one exists) or with the team's coach/technical staff, unless 'warming up' (under the same conditions as a substitute)

Offences before/during/after a temporary dismissal

- A temporarily dismissed player who commits a cautionable (YC) or sending-off (RC) offence during their temporary dismissal period will take no further part in the match and may not be replaced or substituted

Further disciplinary action

- Temporary dismissals may be reported to the competition administrator and further disciplinary action may be taken e.g. suspension for accumulating several temporary dismissals, as with cautions (YCs)

Temporary dismissal systems

- All cautions (YCs) are punished with a temporary dismissal.
- A player who commits a second caution (YC) in the same match:
 - will receive a second temporary dismissal and then takes no further part in the match
 - may be replaced by a substitute at the end of the second temporary dismissal period (this is because the team has already been 'punished' by playing without that player for 2 x temporary dismissal periods)

RULE 9: RULES DIFFERING FROM FIFA LAWS OF THE GAME

A) Re-starts of play

1. All opposition players must be a minimum of 5m from the ball at any free kick restart.

B) Goal keepers

RULE 12: POINTS

Points are awarded in matches as per below:
